Dear Mr. Dabelstein:

Thank you for your nice letter reporting reception of WGNI-FM on June 9, 1988 between 2057 and 2100 Central Time. Please let this letter serve as confirmation.

It may be of interest to note that on the same day at approximately 9 A-M Eastern time near Elizabethtown, North Carolina I observed the sporadic E-skip by being able to copy KZZL-FM in Sioux City. Their signal was flutter free for about 20 minutes.

Thanks again for your report.

Sincerely,

CAPE FEAR BROADCASTING COMPANY
